

The Mixed Kingdom

Iron & Clay

Daniel 2:40-43 (NASB), 40 Then there will be a fourth kingdom as strong as iron; inasmuch as iron crushes and shatters all things, so, like iron that breaks in pieces, it will crush and break all these in pieces. 41 In that you saw the feet and toes, partly of potter's clay and partly of iron, it will be a divided kingdom; but it will have in it the toughness of iron, inasmuch as you saw the iron mixed with common clay. 42 As the toes of the feet were partly of iron and partly of pottery, so some of the kingdom will be strong and part of it will be brittle. 43 And in that you saw the iron mixed with common clay, they will combine with one another in the seed of men; but they will not adhere to one another, even as iron does not combine with pottery.

The Iron in this picture I believe to be a small part of the old Roman Empire joining with the new kingdom that will arise. This kingdom will be the same one that received a "head wound" in Rev. 13:3. This kingdom will rise again in one form or another and it will be powerful and will last for times, time and half a time. I believe this end-time kingdom will be the revived Ottoman Empire.

If there is any small vestige of the Romans today it would be in the Roman Catholic church. Look for its leader will join this new government as spiritual leader and help bring billions of the faithful into the new **Antichrist** kingdom.

The Ottoman Empire was not wiped out, but rather it surrendered after being defeated in WWI (hence the head wound). It will rise back up during the tribulation period and its wound be healed. Its goal is to rule the entire world, it will seek for new alliances to bring in the masses. In comes the Catholic Pope. The religious and spiritual man ... he will become the **Anti-spirit**.
