The **Alef** and the **Tav** are the first and the last letters of the Hebrew alphabet is untranslated outside the Hebrew Tora. To the Jew these letters are here for grammatical reasons, but for the Christian they have a deeper meaning.

Tav

Rev. 22:13 (NASB), "I am the Alpha and the Omega, the first and the last, the beginning and the end."

Right here in the forth word of the Bible Jesus is telling us who He is. He says "I am the Aleph-Tav (Alpha and Omega)." He is that forth word of the scriptures and based on the above scriptures I think He wanted us to know that.

The Sign of the Covenant.
It is all about Jesus

Note: Jesus can be found in the first four words of the Bible, and if that isn't amazing enough He is directly mentioned as "The Son" in the first two Letters of the first word. The entire Bible is about Jesus as Creator and Redeemer. He came into the word to show us the way to the Father.
